URL: <https://discordapp.com/channels/708001899168792607/713013482152263740>

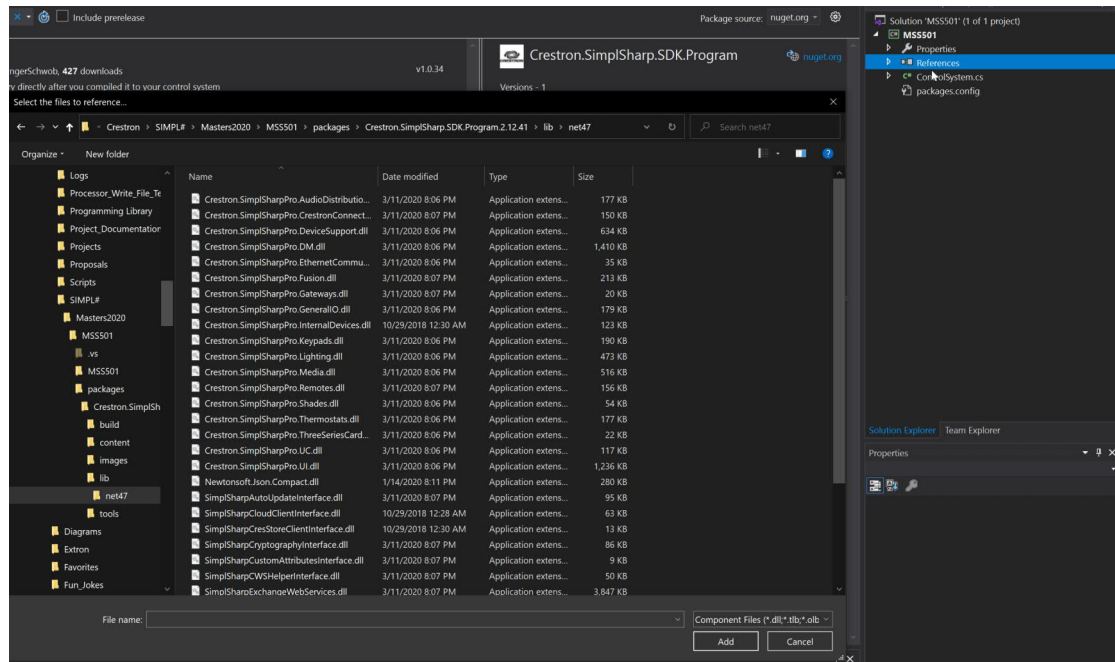

<https://www.nuget.org/packages?q=crestron>

Then right-click "References"

Add references ..nav to your project folder like...

C:\Work\Docs\Crestron\SIMPL#\Masters2020\MSS501\packages\Crestron.SimplSharp.SDK.Program.2.12.41\lib\net47

Installing .NET Framework 4.7 so it's a selection in VS2019
